

Visit Antwerpen

Visit Antwerp is the city's official **tourist office**. We inspire, inform and encourage individuals, groups and organisations to visit and experience Antwerp. Our department 'destination promotion' offers an expert service for professional intermediaries, local partners and meeting organisers (in close collaboration with **Antwerp Convention Bureau**).

We help you to organise meetings and conferences with impact and a lot of **added-value** for participants, organisers and local partners. We offer independent and free **advice** and we put you in touch with locations, hotels, suppliers and other providers.

Support from Visit Antwerp:

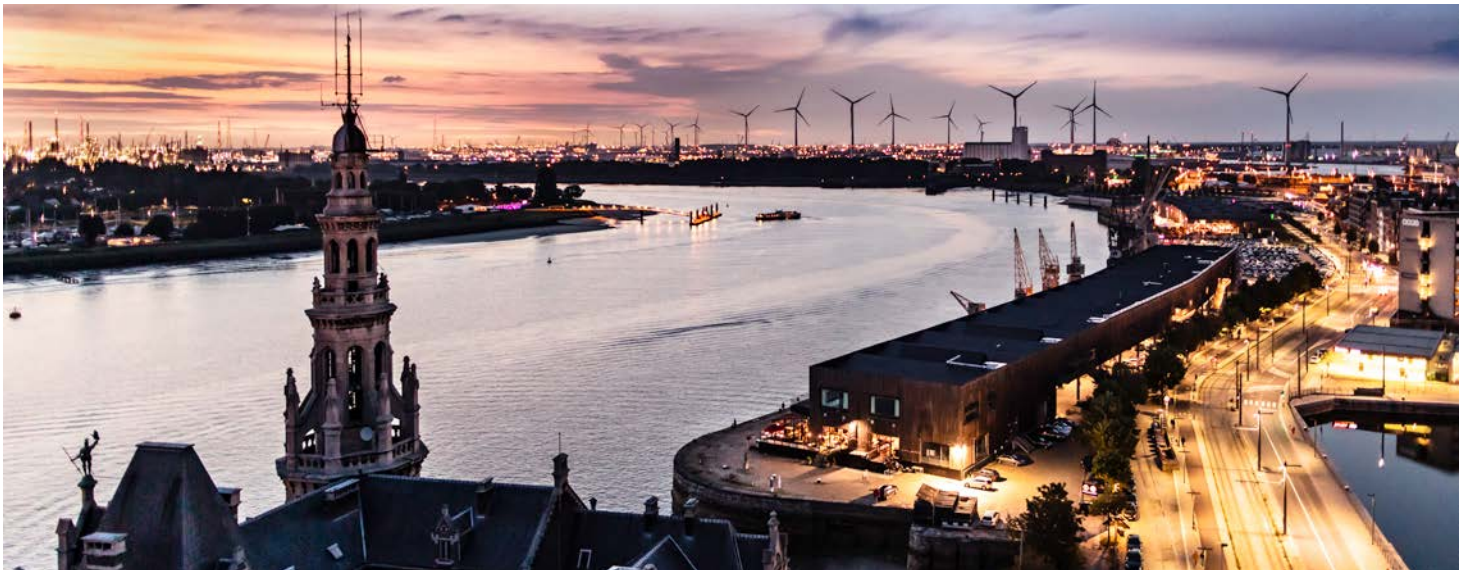

- Free promotional material: we provide videos and visuals and prepare welcome bags with handy and useful information for participants.
- Support of your event: we gladly organise receptions in unique venues, we provide the necessary logistical support and we can assist you with your bidding documents. We can also help you with creative ideas and concepts.
- Site inspections: we gladly put together a site inspection tailored to your needs

Support from Antwerp Convention Bureau:

Our partner Antwerp Convention Bureau helps you find the right venue for your meeting or convention. They also suggest fun dinner tips, make proposals for partner programmes and can reserve rooms with hotels, with a personalised booking link for your convention.
